

The Summit School Colorado Outdoor Education

Our Program

The Summit School is a three-day outdoor education program for Colorado's 6th -8th grade public school students offered September through May. Students participate in inquiry-based lessons, exploratory day hikes, small-group discussions, campfire activities, stargazing, and solo night hikes.

The Summit School is a program of Annunciation Heights Catholic Youth and Family Camp in Estes Park, Colorado, two miles north of historic Camp Saint Malo. Our programs regularly make use of both beautiful properties as well as nearby Rocky Mountain National Park and National Forest trails.
